

Palomar Specialty Expands Flex Choice Residential Earthquake Product into two new states

February 12, 2018

LA JOLLA, Calif., Feb. 12, 2018 /PRNewswire/ -- Palomar Specialty Insurance Company is pleased to announce the expansion of its Flex Choice residential earthquake insurance product into Mississippi and South Carolina. Flex Choice is also available in Arkansas, Illinois, Indiana, Kentucky, Missouri, Tennessee and Utah.

Flex Choice is a revolutionary product that allows consumers to customize their residential earthquake coverage to meet their specific needs. Flex Choice offers a variety of coverage alternatives and deductible options for homeowners.

Flex Choice is distributed through independent agents and wholesale brokers who can access the unique product via the Palomar Automated Submission System, PASS, which offers producers a quick and efficient quote to issue process that can be completed within minutes.

"Palomar is committed to bringing innovative catastrophe insurance products to all markets where perils exist and there is a need," offered Palomar President and Chairman, Mac Armstrong. "Flex Choice is the latest example of such innovation; it allows agents to offer unprecedented bespoke coverage options to their customers via an intuitive and streamlined platform."
