PALOMAR HOLDINGS, INC.
7979 Ivanhoe Avenue, Suite 500
La Jolla, California 92037

Dear Stockholder:

I am pleased to invite you to attend the 2022 Annual Meeting of Stockholders (the "Annual Meeting") of Palomar Holdings, Inc. ("Palomar"), which will be held at the Palomar offices, located at 7979 Ivanhoe Avenue, Suite 500, La Jolla, California 92037 on May 26, 2022, at 9:00 a.m. Pacific Time. Doors open at 8:30 a.m. Pacific Time.

At the Annual Meeting, we will ask you to consider the following proposals:

- To elect as Class III directors the two nominees named in this proxy statement to serve until the 2025 Annual Meeting of stockholders or until their successors are duly elected and qualified.
- To approve our Amended and Restated Certificate of Incorporation, as amended and restated, to declassify our Board of Directors to provide for the annual election of directors, to remove the supermajority requirement for certain amendments to our certificate of incorporation, and certain other matters.
- To approve, on a non-binding advisory basis, the compensation of our Named Executive Officers as described in the proxy statement.
- To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.
- To transact such other business that may properly come before the Annual Meeting or any postponements or adjournments thereof.

Stockholders of record as of April 1, 2022 may vote at the Annual Meeting or any postponement or adjournment of the meeting.

We are pleased to announce that we are taking advantage of U.S. Securities and Exchange Commission rules that allow companies to furnish proxy materials to their stockholders over the Internet. We believe that this process will allow us to provide our stockholders with the information they need in a timely manner, reduce the environmental impact of printing and distributing our proxy materials and lower our costs.

YOUR VOTE IS IMPORTANT. Whether or not you plan to attend the Annual Meeting of Stockholders, we urge you to submit your vote via the Internet, telephone or, if you requested a printed copy of the proxy materials, via mail. Whether or not you attend the Annual Meeting, it is important that your shares be represented and voted at the meeting. Therefore, I urge you to promptly vote and submit your proxy via the Internet, by phone, or, if you requested a printed copy of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope. If you decide to attend the Annual Meeting, you will be able to vote in person, even if you have previously submitted your proxy.

On behalf of the Board of Directors, I would like to express our appreciation of your interest in Palomar.

Sincerely,

PROXY STATEMENT

For 2022 Annual Meeting of Stockholders

To Be Held at 9:00 a.m. Pacific Time on May 26, 2022

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by the Board of Directors (or the "Board") of Palomar Holdings, Inc. (the "Company" or "Palomar") for use at its 2022 Annual Meeting of stockholders (the "Annual Meeting"), and any postponements, adjournments or continuations thereof. The Annual Meeting will be held on May 26, 2022 at 9:00 a.m. Pacific Time, at our principal executive offices located at 7979 Ivanhoe Avenue, Suite 500 La Jolla, California 92037.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

The information provided in the "question and answer" format below addresses certain frequently asked questions but is not intended to be a summary of all matters contained in this proxy statement. Please read the entire proxy statement carefully before voting your shares.

What is a proxy?

A proxy is your legal designation of another person to vote the stock you own. The person you designate is your "proxy," and you give the proxy authority to vote your shares by voting by telephone or over the Internet, or, if you requested a printed copy of the proxy materials, by submitting the enclosed proxy card. We have designated our Chairman and Chief Executive Officer, Mac Armstrong, to serve as proxy for the Annual Meeting.

Why did I receive a notice regarding the availability of proxy materials on the Internet instead of a full set of proxy materials?

Under rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we have elected to furnish our proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies of the proxy materials to each stockholder. On or about April 14, 2022, we expect to mail to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy materials and our Annual Report on Form 10-K for the year ended December 31, 2021 via the Internet and how to vote your proxy. If you received the Notice, you will not automatically receive a printed copy of our proxy materials in the mail. If you would like to receive a printed copy, please follow the instructions provided in the Notice.

Why am I receiving these materials?

The Board of Palomar is making available these proxy materials to you in connection with the Board's solicitation of proxies for use at Palomar's Annual Meeting, which will take place on May 26, 2022. Stockholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

What information is contained in these materials?

The information included in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our most highly paid executive officers and our directors, and certain other required information. Palomar's 2021 Annual Report on Form 10-K, which includes our audited consolidated financial statements, is also furnished with this proxy statement.

What proposals will be voted on at the Annual Meeting?

The proposals scheduled to be voted on at the Annual Meeting include:

- the election of two Class III directors to hold office until the 2025 Annual Meeting of stockholders or until their successors are duly elected and qualified;
- a proposal to approve our Amended and Restated Certificate of Incorporation, as amended and restated, to declassify our Board to provide for the annual election of directors, to remove the supermajority requirement for certain amendments to our certificate of incorporation, and certain other matters;
- a proposal to approve, on a non-binding advisory basis, of the compensation of our Named Executive Officers as described in this proxy statement ("Say-on-Pay-Vote");
- a proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022; and
- any other business that may properly come before the Annual Meeting.

At the time this proxy statement was filed with the SEC, our management and Board were not aware of any other matters to be presented at the Annual Meeting other than those set forth in this proxy statement and in the notice accompanying this proxy statement.

How does our Board recommend that I vote?

Our Board recommends that you vote:

- FOR the election of the directors nominated by our Board and named in this proxy statement as Class III directors to serve for three-year terms;
- FOR the approval of our Amended and Restated Certificate of Incorporation, as amended and restated, to declassify our Board to provide for the annual election of directors, to remove the supermajority requirement for certain amendments to our certificate of incorporation, and certain other matters;
- FOR the approval, on a non-binding advisory basis, of the compensation of our Named Executive Officers as described in this proxy statement; and
- FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock at the close of business on April 1, 2022, the record date for the Annual Meeting (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held as of the Record Date. As of the Record Date, there were 25,449,632 shares of common stock outstanding and entitled to vote. Stockholders are not permitted to cumulate votes with respect to the election of directors. The shares you are entitled to vote include shares that are (1) held of record directly in your name, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record: Shares Registered in Your Name. If, at the close of business on the Record Date, your shares were registered directly in your name with Computershare Trust Company, N.A., our transfer agent, then you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy directly to the individual listed on the form of proxy card or to vote in person at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If, at the close of business on the Record Date, your shares were held, not in your name, but rather in a stock brokerage account or by a bank or other nominee on your behalf, then you are considered the beneficial owner of shares held in "street name." As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by following the voting instructions your broker, bank or other nominee provides. If you do not provide your broker, bank or other nominee with instructions on how to vote your shares, your broker, bank or other nominee may, in its discretion, vote your shares with respect to routine matters but may not vote your shares with respect to any non-routine matters. Please see "*What if I do not specify how my shares are to be voted?*" for additional information.

How can I contact Palomar's transfer agent?

Contact our transfer agent by either writing to Computershare Investor Services, P.O. Box 505000, Louisville, KY 40233-5000 by telephoning (800) 736-3001 or (781) 575-3100, or via its Investor Center at www.computershare.com/investor.

Do I have to do anything in advance if I plan to attend the Annual Meeting in person?

Stockholder of Record: Shares Registered in Your Name. If you were a stockholder of record at the close of business on the Record Date, you do not need to do anything in advance to attend and/or vote your shares in person at the Annual Meeting, but you will need to present government-issued photo identification for entrance to the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you were a beneficial owner at the close of business on the Record Date, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from your broker, bank or other nominee who is the stockholder of record with respect to your shares. You may still attend the Annual Meeting even if you do not have a legal proxy. For entrance to the Annual Meeting, you will need to provide proof of beneficial ownership as of the Record Date, such as the notice or voting instructions you received from your broker, bank or other nominee or a brokerage statement reflecting your ownership of shares as of the Record Date, and present government-issued photo identification.

Please note that no cameras, recording equipment, large bags, briefcases, or packages will be permitted in the Annual Meeting.

We are actively monitoring the public health and travel safety concerns relating to the coronavirus (COVID-19) pandemic and the advisories or mandates that federal, state, and local governments may issue. In the event it is not possible or advisable to hold our Annual Meeting in person, we will announce alternative arrangements for the meeting as promptly as practicable, which may include holding the meeting solely by means of remote communication. Please monitor our public announcements and our investor relations website at <https://ir.plmr.com/> for updated information. If you are planning to attend our Annual Meeting, please check any of our public announcements and the website one week prior to the meeting date. As always, we encourage you to vote your shares prior to the Annual Meeting.

Will the Annual Meeting be webcast?

We do not expect to webcast the Annual Meeting.

How do I vote and what are the voting deadlines?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you can vote in one of the following ways:

- You may vote via the Internet or by telephone. If you are a stockholder of record, you may vote by following the telephone or Internet voting instructions on the Notice.
- If you requested a printed copy of the proxy materials, you may vote by mail. Please complete, date and sign the proxy card that accompanies this proxy statement and promptly mail it to the tabulation agent in the enclosed postage-paid envelope. If you are a stockholder of record and you return your signed proxy card but do not indicate your voting preferences, the person named in the proxy card will vote the shares represented by your proxy card as recommended by our Board.
- You may vote in person. If you plan to attend the Annual Meeting, you may vote by completing and submitting a ballot, which will be provided at the Annual Meeting. However, while we intend to hold the Annual Meeting in person at this time, we are actively monitoring the COVID-19 pandemic. We are sensitive to the public health and travel concerns our stockholders may have and the protocols that federal, state, and local governments may impose. In the event it is not possible or advisable to hold our Annual Meeting in person, we will announce alternative arrangements for the meeting as promptly as practicable, which may include holding the meeting solely by means of remote communication and you will be unable to cast your vote in-person. Please monitor any public announcements and our investor relations website at <https://ir.plmr.com/> for updated information. If you are planning to attend our Annual Meeting, please check any public announcements that we may make and the website one week prior to the meeting date. As always, we encourage you to vote your shares prior to the Annual Meeting.

Please note that the Internet and telephone voting facilities will close at 11:59 PM Pacific Time on May 25, 2022.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are the beneficial owner of shares held of record by a broker, bank, or other nominee, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank, or other nominee in order to instruct your broker, bank or other nominee how to vote your shares. The availability of Internet and telephone voting options will depend on the voting process of your broker, bank, or other nominee. **As discussed above, if you are a beneficial owner, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.**

Can I change my vote or revoke my proxy?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you may revoke your proxy or change your proxy instructions at any time before your proxy is voted at the Annual Meeting by:

- entering a new vote by Internet or telephone;
- if you requested a printed copy of the proxy materials, by signing and returning a new proxy card with a later date;

- delivering a written revocation to our Secretary at Palomar Holdings, Inc., 7979 Ivanhoe Avenue, Suite 500, La Jolla, California 92037; or
- attending the Annual Meeting and voting in person.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are the beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow their instructions to change your vote or revoke your proxy.

Is there a list of stockholders entitled to vote at the Annual Meeting?

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the meeting for any purpose germane to the meeting, between the hours of 9:00 a.m. and 4:30 p.m. Pacific Time, at our corporate headquarters at 7979 Ivanhoe Avenue, Suite 500, La Jolla, California 92037, by contacting our corporate secretary.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board. The person named in the proxy has been designated as proxy holder by our Board. The shares represented by the proxy will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holder will use his own judgment to determine how to vote your shares. If the Annual Meeting is postponed or adjourned, the proxy holder can vote your shares on the new meeting date, unless you have properly revoked your proxy, as described above.

What if I do not specify how my shares are to be voted?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

- FOR the election of the directors nominated by our Board and named in this proxy statement as Class III directors to serve for three-year terms (Proposal No. 1);
- FOR the approval of our Amended and Restated Certificate of Incorporation, as amended and restated, to declassify our Board to provide for the annual election of directors, to remove the supermajority requirement for certain amendments to our certificate of incorporation, and certain other matters (Proposal No. 2);
- FOR the approval, on a non-binding advisory basis, of the compensation of our Named Executive Officers as described in this proxy statement ("Say-on-Pay-Vote") (Proposal No. 3);
- FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2021 (Proposal No. 4); and
- in the discretion of the named proxy holder regarding any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are a beneficial owner and you do not provide your broker, bank or other nominee that holds your shares with voting instructions, then your broker, bank or other nominee will determine if it has discretion to vote on each matter. Brokers do not have discretion to vote on non-routine matters. Proposals No. 1 (election of directors),

Proposal No. 2 (Amended and Restated Certificate of Incorporation), and Proposal No. 3 (Say-on-Pay-Vote) are non-routine matters, while Proposal No. 4 (ratification of appointment of independent registered public accounting firm) is a routine matter. As a result, if you do not provide voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee may not vote your shares with respect to Proposals No. 1, 2 or 3, which would result in "broker non-votes," but may, in its discretion, vote your shares with respect to Proposal No. 4. For additional information regarding broker non-votes, see "*What are the effects of abstentions and broker non-votes?*" below.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our bylaws and Delaware law. A majority of the issued and outstanding shares of capital stock and entitled to vote generally in the election of directors, present in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the Record Date, there were a total of 25,449,632 shares of common stock outstanding, which means that 12,724,817 shares of common stock must be represented in person or by proxy at the Annual Meeting to have a quorum. If there is no quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

What are the effects of abstentions and broker non-votes?

An abstention represents a stockholder's affirmative choice to decline to vote on a proposal. If a stockholder indicates that it wishes to abstain from voting its shares, or if a broker, bank or other nominee holding its customers' shares of record causes abstentions to be recorded for shares, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting (e.g., Proposal No. 3). However, because the outcome of Proposal No. 1 (election of directors) will be determined by a plurality vote, abstentions will have no impact on the outcome of such proposal as long as a quorum exists. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the beneficial owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any proposal.

What is the voting requirement to approve each of the proposals?

| Proposal | Vote Required | Discretionary Voting Allowed? |
|--|---|-------------------------------|
| Election of directors | Plurality of the votes cast by stockholders entitled to vote at the meeting | No |
| Amended and Restated Certificate of Incorporation | The affirmative vote of the holders of at least 66 2/3% of the outstanding common stock | No |
| Advisory Vote on Executive Compensation ("Say-on-Pay") | Majority of the shares present in person or represented by proxy and entitled to vote thereon | No |
| Ratification of appointment of Ernst & Young LLP | Majority of the shares present in person or represented by proxy and entitled to vote thereon | Yes |

Proposal No. 1: Election of two nominees for Class III directors named in this proxy statement to hold office until our 2025 Annual Meeting of stockholders or until their successors are duly elected and qualified.

The election of the directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. "Plurality" means that the nominees who receive the largest number of votes cast "FOR" are elected as directors. You may (i) vote FOR all nominees, (ii) WITHHOLD your vote as to all nominees, or (iii) vote FOR all nominees except for those specific nominees from whom you WITHHOLD your vote. Any shares not voted FOR a particular nominee (whether as a result of voting withheld or a broker non-vote) will not be counted in such nominees' favor and will have no effect on the outcome of the election. If you WITHHOLD your vote as to all nominees, you will be deemed to have abstained from voting on Proposal No. 1, and such abstention will have no effect on the outcome of the proposal.

Proposal No. 2: Approval of the Amendment and Restatement of our Certificate of Incorporation as described in this proxy statement.

The amendment and restatement of our Certificate of Incorporation requires the affirmative vote of the holders of at least 66 2/3% of our outstanding common stock. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 2, the abstention will have the same effect as a vote AGAINST the proposal. Broker non-votes, if any, will be treated as votes against this proposal.

Proposal No. 3: Approval, on a non-binding advisory basis, of the compensation of our Named Executive Officers as described in this proxy statement.

The proposal to approve, on a non-binding advisory basis, the compensation of our Named Executive Officers as set forth in this proxy statement requires the vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 3, the abstention will have the same effect as a vote AGAINST the proposal. Broker non-votes will not be considered as present and entitled to vote on this proposal, and, therefore, will have no effect on the vote for this proposal.

Proposal No. 4: Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022.

The ratification of the appointment of Ernst & Young LLP requires an affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 4, the abstention will have the same effect as a vote AGAINST the proposal. Broker non-votes will have no effect on the outcome of this proposal.

Who will count the votes?

A representative of our mailing agent, Computershare Trust Company, N.A., will tabulate the votes and Chris Uchida, our Chief Financial Officer, will act as inspector of elections.

How are proxies solicited for the Annual Meeting and who is paying for such solicitation?

Our Board is soliciting proxies for use at the Annual Meeting by means of the proxy materials. We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Copies of solicitation materials will also be made available upon request to brokers, banks and other nominees to forward to the beneficial owners of the shares held of record by such brokers, banks or other nominees. The original solicitation of proxies may be supplemented by solicitation by telephone, electronic communication, or other means by our directors, officers, employees or agents. No

additional compensation will be paid to these individuals for any such services, although we may reimburse such individuals for their reasonable out-of-pocket expenses in connection with such solicitation.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Palomar or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

I share an address with another stockholder, and we received only one paper copy of the Notice. How may I obtain an additional copy of the Notice?

We have adopted an SEC-approved procedure called "householding," under which we can deliver a single copy of the Notice to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing and mailing costs. Upon written or oral request, we will promptly deliver a separate copy of the Notice, and if applicable, the proxy materials, to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that we only send a single copy of next year's Notice, you may contact us as follows:

Our bylaws provide that the only business that may be conducted at an Annual Meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the Annual Meeting by or at the direction of our Board, or (iii) properly brought before the Annual Meeting by a stockholder of record entitled to vote at the Annual Meeting who has delivered timely written notice to our Secretary, which notice must contain the information specified in our bylaws. If a stockholder who has notified us of his, her or its intention to present a proposal at an Annual Meeting does not appear to present his, her or its proposal at such Annual Meeting, we are not required to present the proposal for a vote at such Annual Meeting.

Nomination of Director Candidates

You may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our Board and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "*Board of Directors and Corporate Governance — Stockholder Recommendations for Nominations to the Board*."

In addition, our bylaws permit stockholders to nominate directors for election at an Annual Meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under "*Stockholder Proposals*" for stockholder proposals that are not intended to be included in a proxy statement.

You may also contact our Secretary at our principal executive office for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Our business affairs are managed under the direction of our Board, which is currently comprised of seven members, six of which are “independent” under Nasdaq listing standards.

The Board is nominating two nominees for election as Class III directors. Our Board is divided into three classes with staggered three-year terms. At each Annual Meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring. Our Board of Directors has nominated Mac Armstrong and Martha Notaras for election at the Annual Meeting, each to serve as Class III directors until the 2025 Annual Meeting of stockholders or until their successors are duly elected and qualified.

Our commitment to diversity extends to our Board of Directors, where more than 70% of our directors are either women or members of an underrepresented ethnic minority group. During 2021 we added a new Independent Director, Daina Middleton, who brings deep expertise in digital marketing earned through executive roles at several leading companies.

The following charts set forth the ages, ethnic diversity, gender diversity, skills, and independence status of our Board as of April 1, 2022.

Classified Board Structure

We currently have a classified Board. As discussed in greater detail in Proposal No. 2, at the Annual Meeting we are asking our stockholders to approve amending and restating our Certificate of Incorporation to declassify the Board beginning with the 2027 Annual Meeting of Stockholders. This change would provide for the annual election of all directors phased-in over a three-year period. If Proposal No. 2 is approved by the requisite vote of our stockholders, it would have the following effects in the process of declassifying our Board:

- the nominees elected at the 2027 Annual Meeting (and at each subsequent Annual Meeting) will be elected for one-year terms;
- beginning with the 2028 Annual Meeting of Stockholders, a majority of the directors will be elected annually; and
- following the 2029 Annual Meeting of Stockholders, the entire Board will be elected annually.

Corporate Governance Highlights

We regularly review our Board and corporate governance practices to ensure accountability and enhance boardroom effectiveness.

The Board also considered all other relevant facts and circumstances known to it in making this independence determination.

To support this belief, we provide a \$3,000 tuition and/or certification reimbursement for ongoing development. Lastly, we have a methodical approach to talent development, offering organizational advancement and mentoring services to all team members regardless of position or title. In 2021, 30% of our workforce was promoted or moved into new positions. During the fourth quarter of 2021, our team members completed an engagement survey, and we received a 90% response rate. We received favorable feedback regarding leadership support. We are using the responses and learnings from this survey to inform our future talent management strategies.

Addressing Climate Change

We recognize that climate change is perhaps the most complex risk facing society today. As a specialty insurance company writing earthquake, wind, hail, hurricane and flood coverage, climate change directly impacts our business and insureds. In our corporate reporting on climate change, we apply and adopt the recommendations of the Task Force on Climate-Related Financial Disclosures (“TCFD”). The TCFD’s four-pillar framework provides needed guidance on how climate-committed companies such as how can disclose and address risks and opportunities in the changing climate.

Identifying and Evaluating Nominees for Director

The Nominating and Corporate Governance Committee use the following procedures to identify and evaluate any individual recommended or offered for nomination to the Board:

- The Nominating and Corporate Governance Committee will consider candidates recommended by stockholders in the same manner as candidates recommended to the Nominating and Corporate Governance Committee from other sources.
- In its evaluation of director candidates, including the members of the Board eligible for re-election, the Nominating and Corporate Governance Committee will consider the following:
 - any specific minimum qualifications that it believes must be met by a nominee for a position on the Board;
 - any specific qualities or skills that it believes are necessary for one or more of the Board members to possess and

- the desired qualifications, expertise, experience, and characteristics of Board members, with the goal of developing an experienced and highly qualified Board.

For Board membership, the criteria considered includes independence, diversity of experience, demonstrated leadership, and the ability to exercise sound judgment. The backgrounds and qualifications of the directors considered as a group should provide a significant breadth of experience, knowledge and abilities that shall assist the Board in fulfilling its responsibilities. Although there is no specific policy regarding diversity in identifying director nominees, both the Nominating and Corporate Governance Committee and the Board seek the talents and backgrounds that would be most helpful to us in selecting director nominees. In particular, the Nominating and Corporate Governance Committee, when recommending director candidates to the full Board of Directors for nomination, may consider whether a director candidate, if elected, assists in achieving a mix of Board of Directors members that represents a diversity of background and experience.

Stockholder Recommendations for Nominations to the Board

A stockholder that wishes to recommend a candidate for consideration by the Nominating and Corporate Governance Committee as a potential candidate for director must direct the recommendation in writing to Palomar Holdings, Inc., 7979 Ivanhoe Avenue, Suite 500, La Jolla, California 92037, Attention: Secretary, and must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, class and number of shares of our capital stock that are held by the nominee, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between us and the candidate and evidence of the recommending stockholder's ownership of our stock. Such recommendation must also include a statement from the recommending stockholder in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, integrity, judgment, and diversity of experience, independence, area of expertise, corporate experience, potential conflicts of interest, other commitments and the like and personal references. Our Board will consider the recommendation but will not be obligated to take any further action with respect to the recommendation.

Communications with the Board of Directors

In cases where stockholders and other interested parties wish to communicate directly with our non-management directors, messages can be sent to our Secretary, at Palomar Holdings, Inc., 7979 Ivanhoe Avenue, Suite 500, La Jolla, California 92037, Attention: Secretary. Our Secretary monitors these communications and will provide a summary of all received messages to the Board at each regularly scheduled meeting of the Board. Our Board generally meets on a quarterly basis. Where the nature of a communication warrants, our Secretary may determine, in his or her judgment, to obtain the more immediate attention of the appropriate Committee of the Board or non-management director, of independent advisors or of Company management, as our Secretary considers appropriate.

Our Secretary may decide in the exercise of his or her judgment whether a response to any stockholder or interested party communication is necessary.

This procedure for stockholder and other interested party communications with the non-management directors is administered by the Company's Nominating and Corporate Governance Committee. This procedure does not apply to:

- a) communications to non-management directors from officers or directors of the Company who are stockholders,
- b) stockholder proposals submitted pursuant to Rule 14a-8 under the Securities and Exchange Act of 1934, as amended, or

- c) communications to the Audit Committee pursuant to the Complaint Procedures for Accounting and Auditing Matters.

Corporate Governance Guidelines and Code of Conduct and Ethics

Our Board has adopted Corporate Governance Guidelines. These principles address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, our Board has adopted a Code of Conduct and Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, and other executive and senior officers. The full text of our Corporate Governance Guidelines and our Code of Conduct and Ethics is posted on our website at www.plmr.com in the Corporate Governance section of our Investors webpage. We intend to post any amendments to our Code of Conduct and Ethics, and any waivers of our Code of Conduct and Ethics for directors and executive officers, on the same website within four business days of such amendment or waiver.

Board Oversight of Risk

Although management is responsible for the day-to-day management of the risks our company faces, our Board and its committees take an active role in overseeing management of our risks and have the ultimate responsibility for the oversight of risk management. The Board regularly reviews information regarding our operational, financial, legal and strategic risks. Specifically, senior management attends quarterly meetings of the Board, provides presentations on operations including significant risks, and is available to address any questions or concerns raised by our Board.

In addition, our four Committees assist the Board in fulfilling its oversight responsibilities regarding risk. The Audit Committee coordinates the Board of Director's oversight of our internal control over financial reporting, disclosure controls and procedures, related party transactions and code of conduct and corporate governance guidelines and management will regularly report to the Audit Committee on these areas. The Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs as well as succession planning as it relates to our Chief Executive Officer. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, succession planning for our directors and corporate governance. The Environmental, Social and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with environmental, health and safety, corporate social responsibility, corporate governance, sustainability, and other public matters relevant to the Company. When any of the committees receives a report related to material risk oversight, the chairman of the relevant committee will report on the discussion to the full Board of Directors.

Delinquent Section 16(a) Reports

To our knowledge, based solely on our review of the copies of such reports furnished to us and written representations to us, we believe that for fiscal 2021, all filing requirements applicable to the Company's officers, directors and greater than 10% beneficial owners pursuant to Section 16(a) of the Exchange Act, were complied with, other than a Form 4 filed late for Ms. Michelle Johnson. This form 4 was filed on November 12, 2021. It was related to the vesting of restricted stock on September 8, 2021 and was filed late due to an administrative error.

Director Compensation

In October 2020, we adopted a formal non-employee director compensation program that became effective January 1, 2021. The purpose of this compensation program is to attract and retain independent, qualified

candidates to serve on the Board by providing competitive compensation and aligning the interest of our non-employee directors with those of our stockholders through long-term equity incentives. The Board makes all director compensation determinations after considering the recommendations of the Nominating and Corporate Governance Committee and the Compensation Committee. The Compensation Committee reviews director compensation annually, assisted periodically by its independent compensation consultant (most recently by PricewaterhouseCoopers LLP ("PwC") in July 2020).

In setting director compensation, we consider various factors including market comparison studies and trends, the responsibilities of directors generally, including committee chairs, and the significant amount of time that directors expend in fulfilling their duties. In establishing the non-employee director compensation recommendations, the Compensation Committee utilized a balance of cash and equity. Directors who also serve as employees of the Company do not receive additional compensation for service as directors. Elements of 2021 Director Compensation were as follows:

- Annual board member service retainer payable in quarterly cash installments
- Annual committee chair cash retainer (in lieu of Annual committee member service retainer) payable in quarterly cash installments
- Annual committee member service retainer payable in quarterly cash installments
- Annual equity retainer payable in Restricted Stock Units ("RSUs") in connection with our Annual Meeting with a 1-year cliff vesting schedule
- New director equity incentives payable in RSUs with a 1-year cliff vesting schedule
- Annual professional development program reimbursement up to a specified amount
- Reimbursement of reasonable out of pocket expenses incurred by the director in connection with attending board and committee meetings

The following table sets forth information regarding compensation earned by our Non-Employee Directors for service on our Board of Directors and the board of directors of our subsidiaries during the year ended December 31, 2021. Directors who are also our employees receive no additional compensation for their service as a director. PROPOSAL NO. 1 ELECTION OF DIRECTORS

Under our governing documents, our Board has the power to set the number of directors from time to time by resolution. We currently have seven authorized directors serving on our Board, of which six directors are "Independent" as defined under Nasdaq listing standards. In accordance with our certificate of incorporation, our Board is divided into three classes with staggered three-year terms. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our Board may have the effect of delaying or preventing changes in control of our company.

At the Annual Meeting, two Class III directors will be elected for three-year terms. Based upon the recommendation of our Nominating and Corporate Governance Committee, our Board has nominated Mac Armstrong and Martha Notaras to stand for re-election by our stockholders, in each case for a three-year term expiring at our 2025 Annual Meeting of stockholders or until his or her successor is duly elected and qualified.

As discussed in greater detail in Proposal No. 2 below and under "Classified Board Structure" above, at the Annual Meeting, we are asking our stockholders to approve amending and restating our Certificate of Incorporation to declassify the Board beginning with the 2027 Annual Meeting of Stockholders.

Nominees for Director

Our Nominating and Corporate Governance Committee has recommended, and our Board has approved, Mac Armstrong and Martha Notaras as nominees for election as Class III directors at the Annual Meeting.

If elected, Mac Armstrong and Martha Notaras will serve as Class III directors until the 2025 Annual Meeting of stockholders or until their successors are duly elected and qualified. For information concerning the nominees, please see the section titled "*Board of Directors and Corporate Governance.*"

If you are a stockholder of record and you sign your proxy card or vote over the Internet or by telephone but do not give instructions with respect to the voting of directors, your shares will be voted FOR the election of Mr. Armstrong and Ms. Notaras. We expect that Mr. Armstrong and Ms. Notaras will accept such nomination; however, in the event that a nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our Board to fill such vacancy. If you are a beneficial owner of shares of our common stock and you do not give voting instructions to your broker, bank, or other nominee, then your broker, bank or other nominee will leave your shares unvoted on this matter.

Vote Required

The election of the Class III directors requires a plurality of the votes cast by stockholders entitled to vote at the meeting thereon to be approved. Broker non-votes will have no effect on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS CLASS III DIRECTORS TO SERVE FOR THREE-YEAR TERMS.

PROPOSAL NO. 2 AMENDMENT TO CERTIFICATE OF INCORPORATION

Article VII of our Certificate of Incorporation, as amended, provides that directors of our Company are divided into three classes, with each class consisting, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board. The members of each class are elected to hold office until the third Annual Meeting of stockholders next following the director's election and until the director's successor is elected and qualified. Our classified board structure has been in place since our initial public offering in April 2019. There are currently two Class I directors whose terms of office will expire at the 2023 Annual Meeting of Stockholders, three Class II directors whose terms of office will expire at the 2024 Annual Meeting and two Class III directors whose terms of office will expire at the Annual Meeting of Stockholders.

The Nominating and Corporate Governance Committee and the Board review our corporate governance practices and policies annually, and they regularly receive input from our stockholders with respect to such practices and policies. We believe that our corporate governance practices and policies should reflect our philosophy of managing for the long term to the extent practicable - and that a classified board structure has helped promote continuity and stability that is aligned with this objective.

Although a number of our largest stockholders have indicated that they have no concerns with our classified board structure, we have received feedback from certain institutional investors and other constituents that view classified boards skeptically regardless of performance, value creation or strategy. The Nominating and Corporate Governance Committee and the Board recognize the preference of certain investors and other constituents for annual elections based upon their perception that this approach provides for greater board accountability and responsiveness to stockholders. While we believe that our classified board structure is well-aligned with our long-term perspective, after evaluating various considerations regarding our classified board structure, including the viewpoints of certain institutional investors and other constituents, the Board, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has unanimously declared advisable and has approved, subject to approval of this proposal by our stockholders, to amend and restate our Certificate of Incorporation (the "Amended and Restated Certificate of Incorporation") to declassify the Board beginning with the 2027 Annual Meeting of Stockholders. This change would provide for the annual election of all directors phased-in over a three-year period. If this proposal is approved, directors elected at the 2027 Annual Meeting of Stockholders and at each subsequent Annual Meeting will be elected to one-year terms (until the first Annual Meeting of stockholders next following the director's election and until the director's successor is elected and qualified). As a result, if this proposal is approved, our Board would be fully declassified following our 2029 Annual Meeting of Stockholders.

The Amended and Restated Certificate of Incorporation would become effective upon its filing with the Secretary of State of the State of Delaware, which we would file following the Annual Meeting if our stockholders approve the Amended and Restated Certificate of Incorporation. If the Amended and Restated Certificate of Incorporation is approved by our stockholders, the Board retains discretion not to implement it under Delaware law. If the Board exercises this discretion, it will publicly disclose that fact and the reason for its determination. If the Amended and Restated Certificate of Incorporation is not approved by the requisite vote, then the Amended and Restated Certificate of Incorporation will not be filed with the Secretary of State of the State of Delaware.

The Amended and Restated Certificate of Incorporation would not change the present number of directors or the Board's authority to fill any Board vacancies on account of newly created directorships resulting from any increase in the number of directors or resulting from a director's death, resignation, retirement, removal or other cause. Any director elected by the Board to fill a vacant or new directorship in Class I, II or III would serve the remaining term of the class such director was elected to and until the director's successor is elected and qualified. After the full declassification of the Board, any director elected by the Board to fill a vacant or new directorship would serve until the first Annual Meeting of stockholders next following the director's election and until the director's successor is elected and qualified.

In addition, the Amended and Restated Certificate of Incorporation removes the supermajority requirement for certain amendments to our certificate of incorporation beginning with the 2027 Annual Meeting of Stockholders. Further, the Amended and Restated Certificate of Incorporation updates our exclusive forum provision to clarify that such provision shall not apply to suits brought to enforce a duty or liability created under the Securities Exchange Act of 1934, as amended, or the rules and regulations thereunder, or any other claim for which the U.S. federal courts have exclusive jurisdiction. Finally, the Amended and Restated Certificate of Incorporation removes legacy provisions relating to our former controlling stockholder, Genstar Capital Partners.

The Amended and Restated Certificate of Incorporation is attached to this Proxy Statement as Annex A, with deleted text shown in strikethrough and added text shown as double underline.

Vote Required

The affirmative vote of the holders of at least 66 2/3% of the outstanding common stock as of the Record Date is required to approve this proposal pursuant to our current Certificate of Incorporation and Delaware law.

THE FULL TEXT OF THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION IS ATTACHED TO THIS PROXY STATEMENT AS ANNEX A AND THE FOREGOING DISCUSSION IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO SUCH TEXT.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT AND RESTATEMENT OF OUR CERTIFICATE OF INCORPORATION TO DECLASSIFY THE BOARD AND MAKE CERTAIN OTHER CHANGES AS SET FORTH IN ANNEX A TO THIS PROXY STATEMENT.

**PROPOSAL NO. 3
ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER
COMPENSATION (“SAY-ON-PAY-VOTE”)**

We are asking our stockholders to approve, on a non-binding advisory basis, the compensation of our Named Executive Officers (which consist of our Chief Executive Officer and our next four highest paid executives) as described in detail in the section of this Proxy Statement titled “*Executive Compensation*.” We urge stockholders to carefully read the “*2021 Summary Compensation Table*” and related compensation tables that follow it.

Our executive compensation program utilizes a pay for performance approach. Our executive compensation program is designed to deliver compensation in accordance with Company performance with a large percentage of compensation at risk through long-term equity awards and annual cash incentive awards. These awards are “at risk” and linked to Company performance, consistent with our belief that a significant amount of executive compensation should be in the form of equity and that an even greater percentage of compensation should be tied to performance for executives who bear higher levels of responsibility for our performance. Approximately 96% of our CEO’s 2021 total direct compensation, and approximately 89% of the average 2021 total direct compensation of our other Named Executive Officers, was at-risk, consisting of annual bonus, stock options and RSUs. Additionally, the Compensation Committee engages with an independent global executive compensation consulting firm, PwC, to advise the Committee on matters related to executive compensation.

Our Board and the Compensation Committee believe that the compensation policies and procedures described in this Proxy Statement are effective in achieving our compensation objectives. Therefore, in accordance with Section 14A of the Exchange Act, we ask our stockholders to approve, on a non-binding advisory basis, the compensation of the Named Executive Officers, as described in “*Executive Compensation- Compensation Discussion and Analysis*”, the *2021 Summary Compensation Table* and the related compensation tables notes in this Proxy Statement for our 2022 Annual Meeting of the Stockholders.

Vote Required

The approval of the Named Executive Officers compensation requires the affirmative vote of majority of the shares present in person or represented by proxy and entitled to vote thereon. Broker non-votes will not be considered as present and entitled to vote on this proposal, and, therefore, will have no effect on the vote for this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS, AS DESCRIBED IN THIS PROXY STATEMENT.

PROPOSAL NO. 4 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Ratification of Appointment

At the Annual Meeting, stockholders are being asked to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2022. Stockholder ratification of the appointment of Ernst & Young LLP is not required by our bylaws or other applicable legal requirements. However, our Board is submitting the appointment of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate governance. In the event that this appointment is not ratified by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote, such appointment will be reconsidered by our Audit Committee. Even if the appointment is ratified, our Audit Committee, in its sole discretion, may appoint another independent registered public accounting firm at any time during our fiscal year ending December 31, 2022 if our Audit Committee believes that such a change would be in the best interests of Palomar and its stockholders. If the appointment is not ratified by our stockholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she wishes to do so, and is expected to be available to respond to appropriate questions from stockholders.

Our Audit Committee has established a policy governing our use of the services of our independent registered public accounting firm. Under the policy, our Audit Committee is required to pre-approve all audit and permissible non-audit services performed by our independent registered public accounting firm to ensure that the provision of such services does not impair such accounting firm's independence. Vote Required

The ratification of the appointment of Ernst & Young LLP requires the affirmative vote of majority of the shares present in person or represented by proxy and entitled to vote thereon. Abstentions will have the effect of a vote AGAINST the proposal and broker non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR ENDING DECEMBER 31, 2022.

AUDIT COMMITTEE REPORT

The information contained in the following Audit Committee Report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Palomar Holdings, Inc., or the Company, specifically incorporates it by reference in such filing.

The Audit Committee serves as the representative of the Board with respect to its oversight of:

- our accounting and financial reporting processes and the audit of our financial statements;
- the integrity of our financial statements;
- our compliance with legal and regulatory requirements and efficacy of and compliance with our corporate policies;
- inquiring about significant risks, reviewing our policies for risk assessment and risk management, and assessing the steps management has taken to control these risks; and
- the independent registered public accounting firm's appointment, qualifications, and independence.

The Audit Committee reviews our financial disclosures and meets privately, outside the presence of our management, with our independent registered public accounting firm. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in our 2021 Annual Report with management, including a discussion of the quality and substance of the accounting principles, the reasonableness of significant judgments made in connection with the audited financial statements, and the clarity of disclosures in the financial statements. The Audit Committee reports on these meetings to our Board.

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements with management and Ernst & Young LLP, the Company's independent registered public accounting firm. The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301 (Communications with Audit Committees).

The Audit Committee has received and reviewed the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the Audit Committee concerning independence and has discussed with Ernst & Young LLP its independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual

Report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the Securities and Exchange Commission. The Audit Committee also has selected Ernst & Young LLP as the independent registered public accounting firm for fiscal year 2022. EXECUTIVE COMPENSATION

Meaningful Compensation Changes Validated by Stockholder Feedback

In February 2022, we engaged in an extensive shareholder outreach initiative, targeting our top 25 stockholders to solicit a meeting with Rick Taketa, our Lead Independent Director and Chairperson of the Compensation Committee, and members of our executive team. The outreach was designed to hear our stockholders’ perspective and feedback on Say-on-Pay, corporate governance and Board composition that support our long-term strategy and execution. We engaged 7 of our top 25 investors, representing over 20% of shares outstanding via insightful and collaborative dialogue.

| MEANINGFUL COMPENSATION CHANGES VALIDATED BY STOCKHOLDER FEEDBACK |
|--|
| The Compensation Committee carefully considered compensation governance best practices, our 78% Say-on-Pay vote in 2021, and validation feedback from our stockholders, in implementing the following changes to our executive compensation program 2021: |
| WHAT WE DID |
| ✓ Engaged PWC as our third-party compensation consultant to support benchmarking and design of our executive compensation plan. |
| ✓ Created Executive Stock Ownership Guidelines for our CEO and President with salary multiples of 4x for CEO and 2x for President. |
| ✓ Created an Annual Incentive Plan (“AIP”), a short-term cash incentive plan designed to attract and retain superior talent by tying a portion of their cash compensation to their contribution towards meeting and/or exceeding our overall company, business unit and management by objectives (“MBOs”) or discretionary metrics. |
| ✓ Created a formal long-term incentive (“LTI”) compensation program for the Named Executive Officers (“NEOs”) and other key team members by developing: <ul style="list-style-type: none">✓ Target LTI % of each executive’s base salary as follows: 20% Stock Options; 60% restricted share units (“RSUs”), and 20% performance share units (“PSUs”).✓ PSU payout levels are subject to a Minimum (50%), Target (100%), and Maximum (200%) payout structure for each performance metric with a linear pro rata payout between Minimum and Target and between Target and Maximum. |

EXECUTIVE SUMMARY

Business Overview and Summary of 2021 Financial Results

We are a rapidly growing and innovative insurer focused on providing specialty insurance to residential and commercial customers. Our underwriting and analytical expertise allow us to concentrate on certain markets that we believe are underserved by other insurance companies, such as the markets for earthquake, hurricane, inland marine and flood insurance. We use proprietary data analytics and a modern technology platform to offer our customers flexible products with customized and granular pricing for both the admitted and excess and surplus lines ("E&S") markets.

We provide admitted insurance products through our Oregon domiciled insurance company, Palomar Specialty Insurance Company ("PSIC"), and non-admitted insurance products through our Arizona domiciled surplus lines insurance company, Palomar Excess and Surplus Insurance Company ("PESIC"). We distribute our products through multiple channels, including retail agents, program administrators, wholesale brokers, and partnerships with other insurance companies. Our business strategy is supported by a comprehensive risk transfer program with reinsurance coverage that we believe reduces earnings volatility and provides appropriate levels of protection from catastrophic events. Our management team combines decades of insurance industry experience across specialty underwriting, reinsurance, program administration, distribution, and analytics.

² On September 27, 2021, Mr. Fisher, notified the Company of his intent to resign from his position, effective April 1, 2022, to spend additional time with his family. Mr. Christianson assumed the position of President on April 1, 2022.

Founded in 2014, we have significantly grown our business and have generated attractive returns. We have organically increased gross written premiums from \$16.6 million in our first year of operations to \$535.2 million for the year ended December 31, 2021, which reflects a compound annual growth rate of approximately 64%. For the year ended December 31, 2021, 55% of our gross written premiums were generated by our Residential Earthquake, Commercial Earthquake and Hawaii Hurricane lines of business, all of which are not subject to attritional losses. We experienced average monthly premium retention rates above 89% overall for these lines of business, providing strong visibility into future revenue.

The table below lists some of our key financial results for the years ended December 31, 2021 and 2020:

| | Year Ended December 31, | | |
|---|-------------------------|-----------------|----------|
| | 2021 | 2020 | % Change |
| Gross Written Premiums | \$535.2 million | \$354.4 million | 51.0% |
| Net income | \$45.8 million | \$6.3 million | 632.7% |
| Adjusted net income ⁽¹⁾ | \$53.4 million | \$8.9 million | 502.7% |
| Combined ratio | 80.0% | 102.5% | |
| Adjusted combined ratio excluding catastrophe losses ⁽¹⁾ | 73.9% | 67.5% | |
| Catastrophe losses | \$5.02 million | \$51.0 million | |
| Catastrophe loss ratio ⁽¹⁾ | 2.1% | 32.9% | |

(1) See discussion and reconciliation of non-GAAP and key performance indicators included with "Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" included with our Annual Report on Form 10-K for the year ended December 31, 2021 that accompanies this Proxy Statement.

During 2021, our gross written premiums grew 51.0%, reflecting strong growth in our existing and new product lines, strong policy retention rates and significant rate increases in our commercial lines. Our E&S business, PESIC, grew its 2021 written premiums to \$152.1 million, representing an increase of over 400% from 2020. Our net income also experienced significant growth due to higher earned premiums and lower catastrophe losses versus 2020. After incurring losses from multiple catastrophe events in 2020, we immediately assessed and modified our underwriting and reinsurance strategy and executed on this modified strategy in 2021.

During 2021, we completed our exit of the Admitted All Risk market, took meaningful rate increases across the portfolio, made enhancements to our underwriting guidelines, and purchased an aggregate reinsurance cover which not only protects our business from losses generated from multiple severe catastrophic events but also put a floor on our 2021 adjusted ROE. Our 2021 financial results impacted the amount of compensation we paid our executives via our annual cash incentive plan and the amount of equity awards they will receive in the future under our long-term equity incentive ("LTI") plan.

Compensation Philosophy, Process and Objectives

To attract, retain and motivate our executives, we seek to provide a competitive total rewards package geared toward the future growth and success of the Company and to align our executives' interests with interests of our stockholders. We utilize a pay for performance approach which we continuously refine to better align compensation to the interests of our stockholders. At the beginning of a fiscal period, our Compensation Committee sets Company and individual performance targets which determine the amount of annual cash incentive and LTI equity awards that our executives will receive. If our Company performance exceeds the pre-established targets, our executives will earn additional cash-based and equity compensation. Conversely, if Company performance falls below pre-established goals, that generally will result in payment of below target compensation.

Our overall total rewards philosophy has five Guiding Principles:

- 1) Support and enable the organization to achieve success by targeting overall rewards at the 50th percentile of the appropriate labor market.
- 2) Pay for performance driven and supports our dynamic and inclusive culture ensuring pay equality for equal work that reinforces attracting and retaining executive talent.
- 3) Eligibility for award opportunities is determined by the relative potential to contribute to organizational success.
- 4) Provide a meaningful awards program to create shared sense of ownership and accountability for the achievement of our long-term success.
- 5) Promote transparency and clear direction to accomplish individual and corporate goals.

Role of the Compensation Committee and Management in Determining Executive Compensation

Our Compensation Committee is responsible for evaluating and approving the overall executive officer compensation philosophy and programs. The Compensation Committee relies significantly on the input and recommendations of its independent compensation consultant on an overall basis and the recommendations provided by our CEO when considering factors relevant to the compensation of our Named Executive Officers (other than the CEO). In addition, our CEO is involved in setting the business goals that are used as the performance goals for the annual cash incentive plan and LTI equity incentives, subject to approval of the Board. Our CEO provides the Compensation Committee with his assessment of each Named Executive Officer's performance and his view of the relevant factors further described below in developing his recommendations for the mix of elements used to compensate each Named Executive Officer, including base salary adjustments, annual cash bonuses and equity awards. The Compensation Committee discusses our CEO's recommendations and then approves or modifies such recommendations in collaboration with the CEO.

Our CEO's compensation is determined by the Compensation Committee, which approves adjustments to his base salary, performance goals and equity awards independently and without him present. Our CEO attends portions of the Committee's meetings but does not attend portions of those meetings related to making specific decisions regarding his compensation. Other members of our executive management team also attend portions of the Compensation Committee's meetings at the request of the Committee and/or the CEO.

Role of the Independent Compensation Committee Consultant

The Compensation Committee engaged PwC as its independent compensation consultant to support our 2021 public company compensation framework design. The Compensation Committee is directly responsible for the appointment, compensation, and oversight of the scope of work PwC performs as well as any other compensation consultant, legal counsel, or other advisor that it retains. We bear the fees and expenses of these service providers. PwC provided the Compensation Committee advice and guidance with respect to:

- the assessment of the Company's executive compensation programs and practices;
- the evaluation of long-term incentive compensation practices and annual and long-term incentive plan design;
- the evaluation and selection of a proxy comparator peer group; and
- the competitiveness of the executive officers' elements of compensation and post-employment benefits contained in executive employment agreements.

PwC has attended Compensation Committee meetings and attends executive sessions upon request by the Chairperson of the Compensation Committee. The Compensation Committee has reviewed the independence of PwC considering SEC rules and Nasdaq listing standards regarding compensation consultants and has concluded that the work of PwC for the Compensation Committee does not raise any conflict of interest.

Peer Benchmarking Analysis

To ensure that our executive compensation program is competitive and will allow us to meet our objective of attracting and retaining talented executives, the Compensation Committee, with assistance from PwC, has established a peer group to benchmark executive compensation data. Our peer group consists of the following 13 public companies which are insurance companies deemed to be a reasonable group when considering Palomar's weighted positioning of market capitalization, gross written premiums and revenue - relative to the median of the group.

| | | |
|-----------------------------------|----------------------------------|---------------------------------|
| Amerisafe, Inc. | James River Group Holdings, Ltd. | Protective Insurance Corp. |
| FedNat Holding Co. | Kinsale Capital Group, Inc. | RLI Corp. |
| Goosehead Insurance, Inc. | Mercury General Corp. | Safety Insurance Group, Inc. |
| HCI Group, Inc. | NI Holdings, Inc. | United Insurance Holdings Corp. |
| Heritage Insurance Holdings, Inc. | | |

The Compensation Committee has benchmarked our executive compensation against these companies and reviewed the overall peer compensation information to understand how our NEO's total compensation compares to competitive norms.

Compensation Elements Used to Achieve Compensation Philosophy and Objectives

We design the mix of our pay elements to support our strategic priorities of growth and to attract, retain and motivate our executives. The elements of our compensation and rationale for using and determining each is set forth as follows:

| | Element | Key Characteristics | Why We Pay This Element | How We Determine Amount |
|--|--|---|---|--|
| Fixed (Not at Risk) | Base Salary | Fixed compensation component payable in cash. Reviewed annually and adjusted when appropriate. | Reward for past performance and facilitate the attraction and retention of a skilled and experienced management team. | Individual performance, experience, job scope, and compensation benchmarking. |
| Variable (At Risk) | Annual Cash Incentive | Variable compensation component capped at a maximum level payable in cash based on performance against annually established Company metrics and individual performance. | Motivate and reward the successful achievement of pre-determined Company financial objectives and individual performance. | Job scope and individual performance. |
| | Long Term Incentive ("LTI")- Stock Options | Nonqualified stock options to purchase shares in the future based on the market price when awarded. Expire in ten years and vest ratably over two or four years, subject to the individual's continued service. | Stock Options, RSUs and PSUs align the interests of executives with long-term stockholder value and serve to attract and retain talent. | Awards based on the individual's ability to impact future results, job scope, individual performance, and review of competitive pay practices. |
| | LTI- Restricted Stock Units ("RSUs") | RSUs represents a right to receive shares of Company stock that vest ratably on each of the first three anniversaries of the grant date, subject to the individual's continued service. | | |
| LTI – Performance Stock Units ("PSUs") | PSUs represents a right to receive shares of Company stock based on Company financial performance. The performance period is one year and then the earned PSUs are subject to a required service period of approximately three years before vesting. | | | |

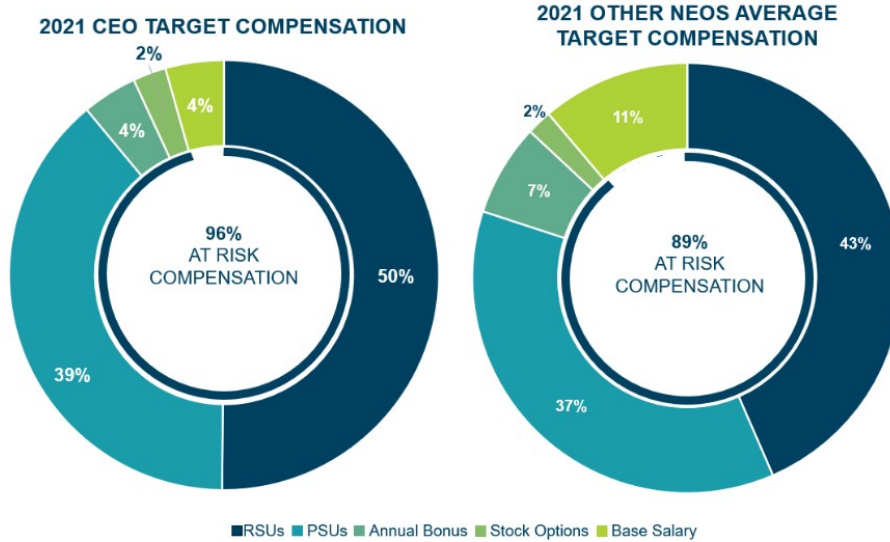

Compensation pay mix

Our executive compensation program is designed to deliver compensation in accordance with Company performance with a large percentage of compensation at risk through LTI equity awards and annual cash

incentive awards. These awards are “at risk” and linked to Company performance, consistent with our belief that a significant amount of executive compensation should be in the form of equity and that an even greater percentage of compensation should be tied to performance for executives who bear higher levels of responsibility for our performance.

The mix of target direct compensation awarded in 2021 for our CEO and the average of our other NEOs is shown in the charts below. Approximately 96% of our CEO’s 2021 total direct compensation, and approximately 89% of the average 2021 total direct compensation of our other NEOs, was at-risk, consisting of annual bonus, stock options, RSUs, and PSUs³

³ During 2021, we issued one-time executive retention PSU and RSU grants to our CEO and other NEOs. As a result, a significant portion of their 2021 compensation relates to PSUs and RSUs and this may not be indicative of future trends. For further information, see below section “2021 Executive Retention Grants”

Compensation policies and other information

Our executive compensation policies and practices are designed to reinforce our pay for performance philosophy and align with sound governance principles. Listed below are highlights of our executive compensation policies and practices:

| What We Do | What We Don't Do |
|--|---|
| ✓ Formal CEO evaluation tied to compensation decisions | ✗ No supplemental retirement or pension benefit plans for our executive officers that are not generally available to our team members |
| ✓ Fully independent directors on the Compensation Committee | ✗ No tax gross ups for change in control related payments |
| ✓ Independent compensation consultant engaged by the Compensation Committee | ✗ No short sales, hedging, or pledging of stock ownership positions and transactions involving derivatives of our common stock |
| ✓ Performance-based cash and equity incentives based on company performance goals and individual performance | ✗ No "single trigger" change in control payments and benefits |
| ✓ Three to four-year equity award vesting periods with a minimum vesting period of one year | |
| ✓ Clawback policy on cash and equity incentive compensation | |
| ✓ Stock ownership guidelines for CEO and President | |

Clawback Policy

We have a Clawback Policy pursuant to which we may seek the recovery of cash performance-based incentive compensation paid by us as well as performance-based equity awards. The Clawback Policy applies to our NEOs and other executive officers as determined by the Board. The Compensation Committee may, in its sole discretion, direct the Company to disclose the circumstances surrounding any recoupment made under this policy.

Anti-Hedging and Anti-Pledging Policy; Stock Trading Practices

We maintain an Insider Trading Policy that, among other things, prohibits our executive officers, directors, and other key team members from trading during quarterly and special blackout periods.

Stock Ownership Guidelines

During 2021, we had Executive Stock Ownership Guidelines for our CEO and President to ensure alignment of these executives' interests with those of our stockholders. Stock Ownership Guidelines are set as a multiple of base salary using the fair market value of the Company's common stock on the date of annual evaluation. The salary multiples are as follows:

| Position | Salary Multiple |
|-------------------------|-----------------|
| Chief Executive Officer | 4x |
| President | 2x |

Executives subject to these Stock Ownership Guidelines have five (5) years after first becoming subject to these guidelines to achieve the required ownership level. Executive officers are required to hold a specific number of shares, net of taxes, until stock ownership guidelines are met. Stock ownership includes vested shares held directly or indirectly, outstanding time-based stock options that are "in-the-money," unvested time-based RSUs and shares purchased via the ESPP. Performance awards are not counted toward the ownership requirement until the performance criteria is met and shares are vested and paid. Underwater stock options are also not counted toward the ownership requirement. The Compensation Committee intends to review the stock ownership progress of executives subject to these Stock Ownership Guidelines on an annual basis. While not required yet, each of our NEOs subject to these Stock Ownership Guidelines currently meet their ownership requirement.

Equity Awards Granting Practices

In 2021 we granted annual equity awards under our LTI program during the first quarter of the fiscal year, and subsequently granted equity awards on a monthly basis for eligible new hires, promotions, and discretionary purposes, subject to approval of the Compensation Committee. Equity grants to non-employee directors are discussed in further detail under the section "2021 Director Compensation".

The grant date for all awards to eligible recipients, including executive officers and other key team members, is determined by the Compensation Committee at its meeting to approve such awards. For stock options, the exercise price is always the closing price of our common stock on the grant date. This procedure along with a pre-established grant cycle provides assurance that the grant dates are not being manipulated to result in a price that is favorable to us or our executive officers and other key team members. The vesting schedule of the respective award will be subject to our standard award agreements, which may be amended from time to time. Any vesting terms outside of our standard award agreements must be approved by the Compensation Committee.

Impact of Accounting and Tax Requirements of Compensation

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits deductibility of compensation in excess of \$1 million paid to certain executives. The Compensation Committee intends to maximize the tax deductibility of compensation paid to our executive officers where possible. However, the Compensation Committee also realizes that to attract and retain individuals with superior talent, it may decide to pay compensation to our executive officers that is not deductible due to Section 162(m).

Accounting for Stock-Based Compensation

We follow ASC Topic 718 for our stock-based awards. ASC Topic 718 requires companies to measure the compensation expense for all share-based payment awards made to team members and directors, including stock options, restricted stock unit awards and performance units, based on the grant date "fair value" of these awards. This calculation is performed for accounting purposes and reported in the compensation tables below. ASC Topic 718 also requires companies to recognize the compensation cost of their stock-based compensation awards in their income statements over the period that a NEO is required to render service in exchange for the option or other award.

For performance awards, when granted, stock-based compensation expense recognized may be adjusted over the performance period based on interim estimates of performance against pre-determined performance goals.

*Compensation decisions related to fiscal 2021*

Base Salaries

We believe it is important to pay our executives a competitive base salary. Each NEO's annual base salary is subject to periodic review by the Compensation Committee. In establishing a base salary, we consider a number of factors, including market data for similar positions, as well as the duties and responsibilities of the position. NEOs do not receive automatic merit increases to their base salaries. Rather, the base salaries of our NEOs are reviewed annually by the Committee to determine whether an adjustment is appropriate. In making decisions regarding salary adjustments, the Committee takes into account numerous factors, none of which is dispositive or individually weighted, including the NEO's job scope and performance, our financial results, and comparable salaries paid to other executive officers with similar skills and experience in our peer group or industry.

For 2021 base salaries for our Named Executive Officers were in effect as follows:

| Name | Base Salary | Effective Date |
|--------------------|-------------|----------------|
| Mac Armstrong | 850,000 | 1/1/2021 |
| Christopher Uchida | 415,000 | 1/1/2021 |
| Heath Fisher | 465,000 | 1/1/2021 |
| Jon Christianson | 375,000 | 1/1/2021 |
| Jonathan Knutzen | 300,000 | 4/1/2019 |

Annual Cash Incentive

A second key component in our compensation framework is annual cash incentives or cash bonuses. We intend that annual cash incentives paid to our NEOs will reward them for the achievement of successful financial, strategic, and operational performance over a short period of time. Each NEO was eligible for an annual cash incentive bonus which is capped at a maximum level and earned based on the achievement of certain metrics for 2021. The Compensation Committee oversees the annual cash incentive program, evaluates the individual performance component, and approves the bonus payments of each NEO. Individual awards paid from the pool are determined based on the individual's performance for the year which considers the target bonus for such individual and is capped at a maximum amount. Bonus awards are payable in cash by March 15th of the year following the performance year.

The table below summarizes the metrics used to determine the 2021 annual cash incentives, the weighting of each metric, and the threshold, target, and maximum payout levels:

| 2021 Metrics | Weighting | Threshold (\$ in millions) | Target (\$ in millions) | Maximum (\$ in millions) |
|--|-----------|----------------------------|-------------------------|--------------------------|
| Adjusted Net Income ⁽¹⁾ | 40% | \$49.3 | \$58.0 | \$72.5 |
| Adjusted Net Income before catastrophe losses ⁽²⁾ | 40% | \$47.6 | \$56.0 | \$70.0 |
| Management by Objectives (MBOs) ⁽³⁾ | 20% | Not applicable | Not applicable | Not applicable |

(1) Adjusted Net Income is metric we use to evaluate our financial performance and is a key metric by which external stakeholders evaluate our performance.

- (2) Adjusted Net Income before catastrophe losses is a metric we use on an internal basis only that allows us to evaluate our financial performance without the volatility caused by catastrophe losses.
- (3) MBOs reflect the individual objectives and goals specific to each NEO. A summary of the 2021 MBOs is as follows:
- Reduce volatility in the earnings base through underwriting and reinsurance actions
 - Establish, manage and execute the strategic direction of Palomar
 - Operationalize Palomar Excess & Surplus Insurance Company
 - Successfully convert Geovera Hawaii hurricane book of business
 - Identify areas of operating efficiencies

Our 2021 results reflected achievement of an adjusted net income below the target amount but above the threshold amount and an adjusted net income before catastrophe losses above the target amount but below the maximum amount. All NEOs met their MBOs and earned the bonus associated with this achievement. On a blended basis, each NEO earned approximately 94% of his target cash incentive bonus.

The table below details actual 2021 bonuses paid to each officer:

| Name | Annual Base Salary | Target Bonus | Target Bonus % of Base Salary | Actual Bonus Paid | Actual Bonus % of target |
|--------------------|--------------------|--------------|-------------------------------|-------------------|--------------------------|
| Mac Armstrong | 850,000 | 850,000 | 100% | 795,248 | 94% |
| Christopher Uchida | 415,000 | 249,000 | 60% | 233,243 | 94% |
| Heath Fisher | 465,000 | 372,000 | 80% | 349,057 | 94% |
| Jon Christianson | 375,000 | 225,000 | 60% | 211,302 | 94% |
| Jonathan Knutzen | 300,000 | 180,000 | 60% | 169,183 | 94% |

Long-Term Equity Compensation

In addition to base salaries and cash incentives, the third component in our compensation philosophy is the utilization of long-term equity incentives, or LTI compensation.

Our LTI compensation program focuses the efforts of our NEOs and other executive officers on the achievement of long-term objectives and aligns the long-term financial interests of our executive officers with those of our stockholders. The value of awards granted under the LTI program is dependent on our future stock performance and gives our NEOs incentives to take actions to drive sustained, long-term shareholder value creation.

LTI equity awards are typically issued to our NEOs and certain other employees on an annual basis and are based on a predetermined percentage of the NEO's annual salary. The types of LTI awards that we issue and a summary of their key features is as follows:

STOCK OPTIONS:

- *Purpose:* Allows our executives to realize value only if our stock price increases over the exercise price of the stock option and promotes retention of our executives while aligning their interests with the long-term interests of our stockholders in a manner consistent with competitive market practices.
- *Exercise Price:* The exercise price of each stock option is the closing price of our common stock on the date of grant.

- *Contractual Term and Vesting Conditions:* All options expire ten years following the date of grant and vest from two to four years following the date of grant with a minimum vesting of one year.
- *Risk of Forfeiture:* Unvested options are forfeited if the recipient's employment is terminated prior to the vesting date for any reason. Generally, upon termination of employment with us, the recipient will have 90 days following the date of such termination to exercise any vested options. All options will be forfeited if a recipient's employment is terminated for cause.

RSUs:

- *Purpose:* Allow our executives to realize predictable value and promote retention of our executives while aligning their interests with the long-term interests of our stockholders in a manner consistent with competitive market practices.
- *Grant Price:* There is no exercise price for RSUs, thus these awards are generally granted at no cost to the executive. In determining a value of RSUs to grant, the Compensation Committee uses the Company's current stock price.
- *Term and Vesting Conditions:* Service-based awards that vest annually for three years following the date of grant.
- *Risk of Forfeiture:* All unvested RSUs are forfeited if the recipient's employment is terminated prior to the vesting date for any reason.

PSUs:

- *Purpose:* Attract and reward our executives with incentive compensation based on their contributions toward meeting and exceeding overall Company financial goals and promote retention of our executives while aligning their interests with the long-term interests of our stockholders in a manner consistent with competitive market practices.
- *Grant Price:* There is no exercise price for PSUs, thus these awards are generally granted at no cost to the executive. In determining a value of PSUs to grant, the Compensation Committee uses the Company's current stock price.
- *Pay for Performance:* PSUs are subject to Company financial performance metrics determined annually by the Compensation Committee with input from Management. For 2021, the performance metrics related to the Company achieving a target level of gross written premiums and adjusted return on equity.
- *Payout Levels:* PSUs are subject to a Minimum (50%), Target (100%) and Maximum (200%) payout structure for each performance metric with a linear pro rata payout between Minimum and Target and between Target and Maximum.
- *Performance Period and Vesting Conditions:* The PSU's performance period is the fiscal year of the grant. At the end of the performance period, the actual results will be measured against the predetermined targets to determine the number of PSUs to be earned as compensation. The earned PSUs are then subject to a required service period of approximately three years from the grant date before vesting and being issued as common stock.
- *Risk of Forfeiture:* All unvested PSUs are forfeited if the recipient's employment is terminated prior to the vesting date for any reason.

2021 Executive Retention Grants

In recognition of the value of the executive leadership team to the Company's long-term success and growth and their commitment to the execution of the Company's critical strategic initiatives, in addition to a highly competitive market for executive talent, the Compensation Committee determined that it would be appropriate to award one-time stock grants to certain executives during 2021. The CEO was awarded a grant on July 15, 2021 and other NEOs were awarded a grant on November 18, 2021.

The grants were comprised of PSUs and RSUs. Most of the grants were PSUs which vest only if the Company's stock price appreciates in the future and the executive provides service for approximately five years. Any future value or gain received by the executive related to stock price appreciation and associated vesting of the PSUs will also be received by shareholders.

The RSUs vest over a period of five years with one fifth vesting upon the first, second and third anniversary of the grants and the remainder vesting monthly thereafter.

The PSUs are earned based on the achievement of eight milestones associated with the Company's stock price increasing from 1.5x to 3.25x its grant date value, or \$71.00 on July 15, 2021 and \$85.80 on November 18, 2021. If the Company's stock price reaches and remains at one of the milestones for 30 days, 1/8 of the PSUs shall become earned units and will vest upon completion of a requisite service period. The Company's CEO must remain an employee through December 31, 2025, or as an employee and/or director through the fifth anniversary of the grant date for the PSUs to vest. Other executives must remain as employees through December 31, 2026 for the PSUs to vest.

The table below shows a summary of the 2021 Executive Retention Grants:

| Name | Grant Date | RSUs granted | PSUs granted ⁽¹⁾ | RSU Grant Date Fair Value ⁽²⁾ | PSU Grant Date Fair Value ⁽²⁾ |
|--------------------|------------|--------------|-----------------------------|--|--|
| Mac Armstrong | 7/15/2021 | 125,000 | 225,000 | 8,875,000 | 7,211,610 |
| Christopher Uchida | 11/18/2021 | 30,594 | 56,818 | 2,624,965 | 2,358,589 |
| Jon Christianson | 11/18/2021 | 20,396 | 37,879 | 1,749,977 | 1,572,412 |
| Jonathan Knutzen | 11/18/2021 | 12,238 | 22,727 | 1,050,020 | 943,438 |

(1) The above number of PSUs granted reflects the maximum number of PSUs that could become earned units and vest upon completion of the requisite service period. To earn any of these PSUs, our stock price must appreciate in the future. The number of PSUs earned, if any, may be significantly lower than this number. As of December 31, 2021, none of the stock price appreciation milestones have been achieved.

- (2) Amounts in this column reflect the grant date value of RSUs and PSUs as calculated per accounting rules. These amounts do not reflect the actual economic value or gain that will be realized by our executives relating to these awards. The amount of value realized by our executives may be significantly different than this figure depending on our future stock price performance. Assumptions used in the calculation of these amounts are included in Note 12 to our financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2021.

Other Discretionary Cash or Equity-based Incentives

From time to time, the Compensation Committee may award other discretionary cash or equity-based incentives in the form of sign-on bonuses, relocation bonuses, promotion bonuses, retention bonuses and other bonuses. Sign-on and relocation bonuses are used in connection with the commencement of an executive's employment with us. Generally, they are used to incentivize candidates to leave their current employers, relocate to one of our offices or may be used to offset the loss of unvested compensation or future income that they may forfeit as a result of leaving their current employer or business. Promotion and retention bonuses may be considered based on a review of competitive conditions and/or the role and skill set of the individual. Other cash or equity-based incentives may be considered based on relevant factors as determined by the Compensation Committee. Aside from the above discussed 2021 Executive Retention Grants, no discretionary cash or equity incentives were awarded in 2021.

COMPENSATION RISK ASSESSMENT

With respect to risk related to compensation matters, the Compensation Committee considers, in establishing and reviewing our compensation program, whether the program encourages unnecessary or excessive risk taking. Our executives' annual base salaries are fixed in amount and subject to annual compensation survey data provided by the Compensation Committee's independent compensation consultant, PWC. Thus, we do not encourage risk-taking. Annual short-term cash incentives for fiscal 2021 are tied to overall company and individual performance. The portion of compensation provided to our executive officers in the form of stock options, RSUs, and PSUs help further align executives' interests with those of our stockholders. Therefore, the Compensation Committee believes that our compensation program does not encourage unnecessary or excessive risk-taking.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management this Compensation Discussion and Analysis. Based on that review and discussion, the Compensation Committee recommended to the Board of Directors of the Company that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021 and this Proxy Statement.

Respectfully submitted by the members of the Compensation Committee of the Board of Directors:

- (1) Reflects amount of annual cash incentive plan awards at target. Amounts actually paid are reported above in the Summary Compensation table.
- (2) Reflect the threshold, target, and maximum potential payouts pursuant to the PSUs granted under the LTI plan in 2021. The actual payout depends on performance relative to predetermined targets of the Company's Gross Written Premiums and Adjusted Return on Equity as set by the Compensation Committee. The PSU's performance period is the fiscal year of the grant. At the end of the performance period, the actual results will be measured against the predetermined targets to determine the number of PSUs to be earned as compensation. The earned PSUs are then subject to a required service period of approximately three years from the grant date before vesting and being issued as common stock. The actual results resulted in a future payout of 175% of target.
- (3) Reflects the value of the threshold and maximum potential payout of the PSUs associated with the 2021 Executive Retention Grants based on stock price on the grant date. The actual payout received, if any, is contingent upon future appreciation of the Company's stock price.
- (4) Represents grants of RSUs granted under the LTI plan in 2021 that vest as follows: one-third (1/3) shall vest on the first-year anniversary of the date of the grant; an additional one-third (1/3) shall vest on the second-year anniversary of the date of the grant; and the final one-third (1/3) shall vest on the third-year anniversary of the date of grant, subject to continued service with us.
- (5) Represents grants of RSUs associated with the 2021 Executive Retention Grants. The RSUs vest over a period of five years with one fifth vesting upon the first, second and third anniversary of the grants and the remainder vesting monthly thereafter.

- (6) Amounts in this column represents grants of stock options under the LTI plan that vest as follows: twenty-five percent (25%) shall vest on the first-year anniversary of the date of the grant and the remaining shall vest in equal monthly installments over the subsequent thirty-six (36) month period subject to continued service with us.
- (7) Amounts in this column reflect the grant date value of stock options, RSUs, and PSUs, as calculated per accounting rules. These amounts do not reflect the actual economic value or gain that will be realized by our Named Executive Officers relating to these awards. The amount of value realized by our executives may be significantly different than this figure depending on our future stock price performance. Assumptions used in the calculation of these amounts are included in Note 12 to our financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2021.

Potential Payments Upon Termination or Change of Control

Post-termination benefits for our Named Executive Officers are established pursuant to the terms of their individual employment agreements and equity awards. In the event of a change in control as described in the 2019 Plan, the acquiring or successor entity may assume or continue all or any awards outstanding under the 2019 Plan or substitute substantially equivalent awards. The Compensation Committee may provide for the acceleration of vesting of any or all outstanding awards upon such terms and to such extent as it determines.

Any awards that are not assumed, continued, or substituted for in connection with a change in control or are not exercised or settled prior to the change in control will terminate effective as of the time of the change in control. Notwithstanding the foregoing, except as otherwise provided in an award agreement governing any award, as determined by the Compensation Committee, any award that is not assumed, continued, or substituted for in connection with a change in control shall, subject to the provisions of applicable law, become fully vested and exercisable and/or settleable immediately prior to, but conditioned upon, the consummation of the change in control. The 2019 Plan will also authorize the Compensation Committee, in its discretion and without the consent of any participant, to cancel each or any outstanding award denominated in shares upon a change in control in exchange for a payment to the participant with respect to each share subject to the cancelled award of an amount equal to the excess of the consideration to be paid per share of common stock in the change in control transaction over the exercise price per share, if any, under the award.

The following table sets forth the amounts payable to each of our Named Executive Officers based on (a) the acceleration of unvested equity awards upon a change in control of the Company, and (b) an assumed termination of employment as of December 31, 2021 related to certain designated events. For equity related amounts, the market price refers to the closing price of our common stock which was \$64.77 per share as

reported on the Nasdaq Global Select Market as of December 31, 2021. The amounts that would be paid upon a NEO's actual termination of employment can only be determined at the time of such termination, based on the facts and circumstances then prevailing.

- (1) Amounts reported represent the value of benefits payable to each Named Executive Officer as follows: Messrs. Uchida, Fisher, Christianson and Knutzen: 12 months of their respective current base salaries. Amount reported represents the value of benefits payable to Mr. Armstrong: 200% of 12 months of his current base salary.
- (2) Amount reported represents the value of benefits payable to Mr. Armstrong: 200% of 12 months of his target bonus.
- (3) Amounts reported reflect the value attributable to the immediate acceleration of unvested equity awards upon a change of control event. Amount is determined by multiplying (a) the number of unvested options that would automatically become fully vested, by (b) the excess of the market price of our common stock on the change of control date over the exercise price of the option plus c) the number of unvested RSUs and PSUs that would automatically become fully vested multiplied by d) the closing price of our common stock on the change in control date.
- (4) For Messrs. Fisher and Christianson, amounts reported represent the value of 12 months of short-term disability and health and welfare benefits payable to each Named Executive Officer per the terms of their respective employment agreements. For Mr. Armstrong, amount reported represents the value of 24 months of short-term disability and health and welfare benefits payable per the terms of his employment agreement. If these executives were unable to return to work after six months of short-term disability, we may terminate their employment upon written notice.
- (5) Long-term disability and group term life insurance are company-provided benefits for all team members and therefore not included in this table. Long-term disability benefits are only paid after six months on short-term disability and is 60% of base pay up to \$10,000 per month for a specific period of time based on each Named Executive Officer's age. Under the group term life policy, each Named Executive Officer's designated beneficiary is entitled to a benefit payment not to exceed \$25,000.

Employment Agreements for Executive Officers

We have entered into employment agreements with Messrs. Armstrong, Fisher, Uchida, Knutzen and Christianson setting forth the terms of the officer's employment with us. The material terms of employment with our Named Executive Officers are described below.

Mac Armstrong⁴

On July 15, 2021, we entered into a new employment agreement with Mac Armstrong, the Company's Chief Executive Officer and Chair of the Board that extends his current employment term through December 31, 2025 with ability to renew for additional one (1) year terms thereafter. Pursuant to the terms of the agreement, Mr. Armstrong will continue to receive a base salary of \$850,000 per year, less applicable withholdings, and he will be eligible to earn an annual target bonus of 100% of his base salary, with a maximum bonus of up to 250% of his base salary, upon achievement of performance objectives to be determined by the Board in its sole discretion. Mr. Armstrong is also eligible to participate in the employee benefit plans sponsored by us of general applicability to other employees. In connection with entering into the employment agreement, Mr. Armstrong received a grant of 125,000 restricted stock units⁽¹⁾. The shares subject to these restricted stock units will vest as follows, subject to Mr. Armstrong's continued service through each applicable vesting date: 25,000 of the shares will vest on each of the first, second and third anniversary of the date of grant and the remainder shall vest in equal quarterly installments thereafter over a two-year period. Mr. Armstrong also received a grant of 225,000 performance stock units (the "PSUs"). The shares subject to these PSUs will be earned upon the achievement of pre-defined stock price milestones. The PSUs that become Earned Units will vest upon continued service as an employee through December 31, 2025 and as an employee and/or director through the fifth anniversary of the grant date. In addition, the employment agreement provides that during the period Mr. Armstrong is employed by us (including calendar year 2021), Mr. Armstrong is eligible to receive annual long-term incentive compensation equity awards under the equity incentive plan with a target value on the applicable grant date of 150% of Mr. Armstrong's base salary, as calculated based on the grant date fair value of such equity awards as used by us for financial reporting purposes.

The employment agreement also provides benefits in connection with a termination of Mr. Armstrong's employment under specified circumstances. Under the terms of the employment agreement, if we terminate Mr. Armstrong's employment other than for "cause" or Mr. Armstrong terminates his employment for "good reason," Mr. Armstrong will be entitled to receive, subject to his timely execution and non-revocation of a separation agreement and release of claims in a form reasonably satisfactory to us and his continued adherence to the non-solicitation provision of the employment agreement, (i) a lump sum severance payment equal to 200% of the sum of (x) his then-current base salary, as then in effect, plus (y) his target bonus for the fiscal year in which the termination occurs; (ii) reimbursements for Mr. Armstrong's and his eligible dependents' COBRA premiums for up to 24 months; and (iii) acceleration of his then unvested equity awards (other than performance stock units previously granted) that would have vested during the 12 month period following separation had Mr. Armstrong remained employed. In addition, the PSUs described above will vest with respect to any shares that would have been earned and vested during the 12-month period following termination had Mr. Armstrong remained employed. If we terminate Mr. Armstrong's employment other than for cause, death, or disability, or Mr. Armstrong terminates his employment for good reason, in either case, within three months prior to or 18 months following a Change of Control (as defined in the employment agreement), Mr. Armstrong will be entitled to receive accelerated vesting as to 100% of Mr. Armstrong's then-outstanding equity awards (other than the PSUs) and all or a portion of the unvested PSUs shall vest in accordance with the terms of the award agreements. The employment agreement also provides benefits in connection with a termination of Mr. Armstrong's employment under specified circumstances.

⁴ The grants Mr. Armstrong received as part of his employment agreement are the 2021 Executive Retention Grants referenced in the previous section.

Messrs. Uchida, Fisher, Christianson, and Knutzen

On July 13, 2021, our Compensation Committee approved a new form of employment agreement (the "Form Agreement"), to be entered into by Messrs. Uchida, Fisher, Christianson, and Knutzen as well as our other executive officers (excluding Mr. Armstrong). We entered into the Form Agreement with each of our executive officers prior to December 31, 2021. The Form Agreement provides, among other things, the executive's annual base salary and target bonus amount, each subject to review and adjustment by the Compensation Committee. The Form Agreement also provides benefits in connection with a termination of the executive's employment under specified circumstances. Under the terms of the Form Agreement, if we terminate the executive's employment other than for "cause" or the executive terminates his or her employment for "good reason" (each as defined in the Form Agreement), the executive will be entitled to receive, subject to his or her timely execution and non-revocation of a separation agreement and release of claims in a form reasonably satisfactory to us and his or her continued adherence to the non-solicitation provision of the Form Agreement, (i) severance payments in an amount equal to his or her then-current base salary for a period of 12 months payable in accordance with our regularly scheduled payroll; and (ii) reimbursements for the executive's and his or her eligible dependents' COBRA premiums for up to 12 months (such payments under (i) and (ii), the "Severance Pay"). In addition, if we terminate the executive without cause or the executive resigns for good reason within 12 months following a change in control (as defined in the Form Agreement), the executive is entitled to receive the Severance Pay and, in the event the executive's outstanding equity is assumed or continued following the change in control, the acceleration of his or her then unvested equity awards. The Form Agreement also includes a non-solicitation provision prohibiting the executive from soliciting for employment or as a consultant for 12 months following separation of employment any employee or consultant of the Company, including those engaged within the twelve months prior to executive's termination.

Retirement Plan and Other Benefits

We maintain a retirement savings plan, or 401(k) Plan, for the benefit of our eligible team members, including our Named Executive Officers. Our 401(k) Plan is intended to qualify under Section 401 of the Internal Revenue Code. In general, all team members are eligible to participate in the plan on the date they are hired. Each participant in the 401(k) Plan may contribute up to the statutory limit of his or her pre-tax compensation. We contribute the lesser of 3% of the team member's compensation or the maximum amount allowed under statutory law. Under the plan, each team member is fully vested in his or her deferred salary contributions as well as the 3% company contributions. The 401(k) Plan employer contributions provided to our Named Executive Officers are reflected in the "Executive Compensation – 2021 Summary Compensation Table" section under the "All Other Compensation" column heading.

We also maintain an employee stock purchase plan ("ESPP"), where team members can purchase our stock at a discount via payroll withholdings. The ESPP is administered through team member participation in discrete offering periods. During each discrete offering period, team member funds are withheld, and the stock purchase occurs upon the conclusion of the offering period. All of our team members are eligible to participate in broad-based and comprehensive employee benefit programs, including medical, dental, vision and group term life insurance and long-term disability. Our Named Executive Officers are eligible to participate in these plans generally on the same basis as our other team members.

Compensation Decisions Related to Fiscal 2022

2022 Base Salaries

As part of its annual review of executive compensation, the Compensation Committee reviewed the base salaries of our NEOs, focusing on the market competitiveness of salaries and based on executive

benchmarking data and input provided by PwC. Effective January 1, 2022, base salaries for our Named Executive Officers were as follows:

| Name | 2022 Base Salary | 2021 Base Salary | \$ Change | % Change |
|--------------------|------------------|------------------|-----------|----------|
| Mac Armstrong | 850,000 | 850,000 | - | 0% |
| Christopher Uchida | 425,000 | 415,000 | 10,000 | 2% |
| Heath Fisher | 465,000 | 465,000 | - | 0% |
| Jon Christianson | 400,000 | 375,000 | 25,000 | 7% |
| Jonathan Knutzen | 350,000 | 300,000 | 50,000 | 17% |

2022 Annual Cash Incentive Plan and Long-Term Equity Incentives

The Compensation Committee has determined targets for 2022 annual cash incentives based on the same metrics and weightings discussed above and will continue to be capped at a maximum amount. The Compensation Committee also approved in January 2022 the issuance of LTI equity awards to our NEOs in the form of stock options, RSUs and PSUs. The number of awards issued was determined using a similar methodology to 2021.

Changes to Stock Ownership Guidelines

As discussed above, during 2021, our Stock Ownership Guidelines applied to our CEO and President. Beginning January 1, 2022, these guidelines will apply to all of our NEOs and Directors as shown in the table below:

| Position | Salary or Cash Retainer Multiple |
|-------------------------|----------------------------------|
| Chief Executive Officer | 4x |
| All other NEOs | 2x |
| Directors | 2x |

Executives and directors subject to these Stock Ownership Guidelines have five (5) years after first becoming subject to these guidelines to achieve the required ownership level. Executive officers are required to hold a specific number of shares, net of taxes, until stock ownership guidelines are met. Stock ownership includes vested shares held directly or indirectly, outstanding time-based stock options that are "in-the-money," unvested time-based RSUs and shares purchased via the ESPP. Performance awards are not counted toward the ownership requirement until the performance criteria is met and shares are vested and paid. Underwater stock options are also not counted toward the ownership requirement. The Compensation Committee intends to review the stock ownership progress of executives subject to these Stock Ownership Guidelines on an annual basis.

2022 Peer Group

We do not intend to make any changes to our peer group that we use for benchmarking Executive and Director compensation in 2022.

CEO Pay Ratio Disclosure

Summary

SEC rules and the Dodd Frank Act require disclosure of the ratio of our CEO's annual total compensation to the annual total compensation of our median team member.

We calculated this ratio in a manner consistent with Item 402(u) of Regulation S-K. For 2021, the annual compensation of our median team member was \$114,711 and was calculated by totaling all applicable elements of compensation. Our CEO's 2021 Compensation was \$19,304,907, which represents the total compensation reported for Mr. Armstrong in the "2021 Summary Compensation Table." Based on these calculations, the ratio of the annual total compensation of Mr. Armstrong to the annual compensation of our median team member was 168 to 1.

During 2021, Mr. Armstrong received an executive retention stock grant which accounted for approximately \$16.1 million, or 83% of his total compensation. This stock grant was a unique event and is not intended to recur annually. As a result, this ratio significantly increased from prior year and the ratio may not be indicative of future trends. Excluding the value of the executive retention stock grant, the ratio of Mr. Armstrong's annual total compensation to the annual total compensation of our median employee was 28 to 1.

For purposes of the 2021 pay ratio calculation as described above, we used the same median team member identified in 2020, as there has been no change in our employee population or employee compensation arrangements that we believe would significantly impact the pay ratio disclosure.

The assumptions used in the calculation of our estimated pay ratio are specific to our company and our team member population; therefore, our pay ratio may not be comparable to the pay ratios of other companies.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of April 1, 2022 for:

ARTICLE VI

(a) Except as otherwise provided by applicable law or this Certificate of Incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(b) Except as otherwise provided for or fixed pursuant to this Article VI or Article VII hereof (relating to the rights of any series of Preferred Stock to elect additional directors), ~~and subject to the terms of the Stockholders Agreement, dated on or about the date of the effectiveness of the filing of this Certificate of Incorporation, by and among the Corporation and certain affiliates of Genstar (as defined in Article VII hereof) and the other parties thereto (as the same may be amended, supplemented, restated or otherwise modified from time to time, the "Stockholders Agreement")~~, the total number of directors shall be as determined from time to time exclusively by the Board; provided, that in no event shall the total number of directors be more than nine (9). Election of directors need not be by written ballot unless the Bylaws (as defined below) shall so require.

ARTICLE VII

(a) Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, the Board of Directors of the Corporation shall be divided into three classes designated as Class I, Class II and Class III, respectively. Directors shall be assigned to each class in accordance with a resolution or resolutions adopted by the Board of Directors. To the extent practicable, the Board of Directors shall assign an equal number of directors to Class I, Class II and Class III. At the first annual meeting of stockholders after the filing of this Certificate of Incorporation, the terms of the Class I directors shall expire and Class I directors shall be elected for a full term of office to expire at the third succeeding annual meeting of stockholders after their election. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

~~(b) Notwithstanding anything to the contrary set forth in this Certificate of Incorporation, the Bylaws or applicable law, but in addition to any requirements set forth in this Certificate of Incorporation, the Bylaws and applicable law, if Genstar Capital Partners V AIV, L.P., Genstar Capital Partners VI AIV, L.P. and any of their respective Affiliates (as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (collectively, "Genstar")) owns, beneficially or of record, any shares of stock of the Corporation and there is at least one member of the Board who is a Genstar Designee (as defined in the Stockholders Agreement), a quorum for the transaction of business at any meeting of the~~

~~Board shall include at least one Genstar Designee unless each Genstar Designee provides notice in writing or by electronic transmission to the remaining members of the Board waiving his or her right to be included in the quorum at such meeting. Notwithstanding anything to the contrary set forth herein, but in addition to any other vote required by this Certificate of Incorporation, the Bylaws or applicable law, at any time that Genstar owns, beneficially or of record, any shares of stock of the Corporation, the Corporation shall not (directly or indirectly, by merger, consolidation or otherwise) amend, alter or repeal this subsection (b) of this Article VII, or adopt any provision inconsistent herewith, without the prior written consent of Genstar.~~

(eb) Except as otherwise provided by this Certificate of Incorporation, ~~and subject to the terms of the Stockholders Agreement,~~ any vacancy resulting from the death, resignation, removal or disqualification of a director or other cause, or any newly created directorship in the Board, shall be filled only by a majority of the directors then in office, although less than a quorum, or by the sole remaining director, and shall not be filled by the stockholders of the Corporation. Except as otherwise provided by this Certificate of Incorporation, a director elected to fill a vacancy or newly created directorship shall hold office until the annual meeting of stockholders for the election of directors of the class to which he or she has been appointed and until his or her successor has been duly elected and qualified, subject, however, to such director's earlier death, resignation, retirement, removal or disqualification.

(dc) Except as otherwise provided by law, ~~the Stockholders Agreement~~ or this Certificate of Incorporation, directors may be removed with or without cause by the affirmative vote of the holders of a majority in voting power of the outstanding shares of the stock of the Corporation entitled to vote in an election of such directors; provided, however, that, ~~from and after the Trigger Event (as defined below)~~ any such director or all such directors may be removed only for cause and only by the affirmative vote of the holders of at least 66 2/3% in voting power of all the then-outstanding shares of stock of the Corporation entitled to vote thereon, voting together as a single class.

ARTICLE VIII

Subject to the rights of the holders of any series of Preferred Stock with respect to such series of Preferred Stock, any action required or permitted to be taken by the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of record of all of the issued and outstanding capital stock of the Corporation authorized by law or by this Certificate of Incorporation to vote on such action, and such writing or writings are filed with the permanent records of the Corporation.

ARTICLE IX

Subject to the rights of the holders of any series of Preferred Stock with respect to such series of Preferred Stock, special meetings of stockholders for the transaction of such business as may properly come before the meeting may only be called by order of the Chairman of the Board of Directors, the Board of Directors (pursuant to a resolution adopted by a majority of the total number of directors that the Corporation would have if there were no vacancies) or the Chief Executive Officer of the Corporation, and shall be held at such date and time, within or without the State of Delaware, as may be specified by such order. If such order fails to fix such place, the meeting shall be held at the principal executive offices of the Corporation.

ARTICLE X

In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware,

the Board of Directors of the Corporation is expressly authorized to make, alter and repeal the bylaws of the Corporation (as the same may be amended and/or restated from time to time, the "Bylaws"), subject to the power of the stockholders of the Corporation to alter or repeal the Bylaws under applicable law as it presently exists or may hereafter be amended. Stockholders of the Corporation are authorized to make, alter and repeal the Bylaws of the Corporation only pursuant to Article ~~XXV~~ of the Bylaws of the Corporation.

ARTICLE XI

A director of the Corporation shall not be personally liable either to the Corporation or to any of its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment or modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

ARTICLE XII

Subject to the rights of the holders of one or more series of Preferred Stock then outstanding to act by written consent as provided in any Preferred Stock Designation, any action required or permitted to be taken by stockholders must be effected at a duly called annual or special meeting of stockholders; ~~provided, that prior to the time that Genstar ceases to beneficially own more than 50% of the outstanding shares of Common Stock (the "Trigger Event"), any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, is signed by or on behalf of the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation in accordance with the DGCL.~~

ARTICLE XIII

(a) Right to Indemnification. The Corporation shall indemnify, to the fullest extent permitted by the DGCL, as it presently exists or may be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), any natural person (i) who is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, trustee, employee or agent of another corporation, limited liability company, partnership, joint venture, employee benefit plan, trust, nonprofit entity or other enterprise at any time during which the Bylaws are in effect (a "Covered Person"), whether or not such Covered Person continues to serve in such capacity at the time any indemnification is sought or at the time of any proceeding (as defined below) relating thereto exists or is brought, and (ii) who is or was a party to, is threatened to be made a party to, or is otherwise involved in (including as a witness) any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative in nature (a "proceeding") based on such Covered Person's action(s) in his or her official capacity as a director, officer, trustee, employee or agent of the Corporation, against all liability and loss suffered (including, without limitation, any judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement consented to in writing by the Corporation) and expenses (including attorneys' fees), actually and reasonably incurred by such Covered Person in connection with such proceeding. (b) Right of Claimant to Bring Suit. In accordance with the Bylaws of the Corporation, if a claim for indemnification under Section (a) of this Article XIII is not paid in full within ninety (90) days after a written claim has been received by the Corporation, the claimant claim may at any time thereafter file suit to recover the unpaid amount of such claim and shall be entitled to be paid the expense of prosecuting such claim to the extent successful.

(c) Non Exclusivity of Rights. In accordance with the Bylaws of the Corporation, the right to indemnification (i) shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation, the Bylaws, agreement, vote of stockholders or disinterested directors or otherwise and (ii) cannot be terminated by the Corporation, the Board of Directors or the stockholders of the Corporation with respect to a Covered Person's service occurring prior to the date of such termination.

(d) Indemnification Agreements. The Corporation shall have the discretionary power to enter into indemnification agreements with any Covered Person or agent of the Corporation that confer broader or other rights, including without limitation advancement of expenses, to the extent allowed by Delaware law.

To the extent that the Corporation maintains any policy or policies providing such insurance, each such person shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage thereunder for any such person.
